

The background is a gradient of deep blue and purple, transitioning from a lighter purple at the top to a darker blue at the bottom. It is decorated with various abstract circular elements: concentric circles, dashed lines, and solid arcs. Some of these circles have small white arrows indicating a clockwise direction. A large, semi-circular scale with numerical markings (140, 150, 160, 170, 180, 190, 200, 210, 220, 230, 240, 250, 260) is visible on the left side, curving around the text. The overall aesthetic is futuristic and technical.
